How To Register on Your Smart Phone

If you are a new user and have not already registered through the User Portal, you can register on your smart phone.

First, download the AFLINX app from either the Apple Store or Google Play Store.

Select **New User? Register** from the AFLINX landing screen.

Enter all the information requested, then click **Register**.

Important Note: Your Administrator or Supervisor will have provided you with a six-digit Registration Number to use.

Career Optimization**

As an Airman you also have access to a web-based user portal view of the AFLINX app. Airmen who do not use a smart phone or prefer the web-page view can use this portal for all the same features that are on the app.

Here is the URL for the User portal: <https://wrkmrk.com/aflinx177/>

Remember to save it as one of your favorites.
